

# **COGNISCERE- A Quest Of Wisdom**

**Organised By:** Knowledge Forum

**Convenor:**

**Date:** September 26, 2017

**Highlights:**

The more system we secure, the more secured we all are!!

And for more secure systems we need more trained minds. So to provide this opportunity IMS organised “Cogniscere- A Quest Of Wisdom” an event on how to stay ahead from the advancing digital threats to the mankind.

The details about the event are:

- Date: September 26,2017
- Venue: Central Auditorium
- Chief guest:

The event was witnessed by all the faculties and students of IMS.

Director Dr. Rajnish Jain also appreciated the efforts of the students and felicitated the guests.
